Tomorrow is the king's birthday, right?
It has been declared as an offical holiday.
So, the school is off of course !
*Seja : Prince
There will be a big event in Gyeongbok palace. Wanna go there, us three?
Will the seja show himself tomorrow?
What excites me more is that the chefs in the palace will have free food for all !
They are planning to do the kings 10th anniversary of his inheritance also with his family all gathered
Wow ! Really ??

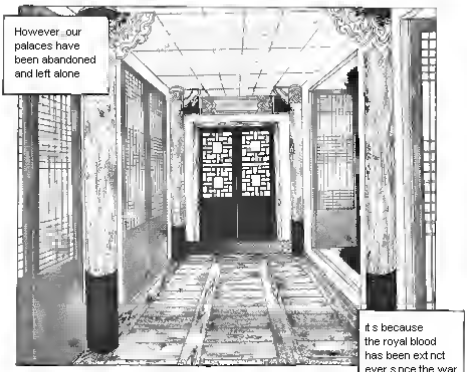
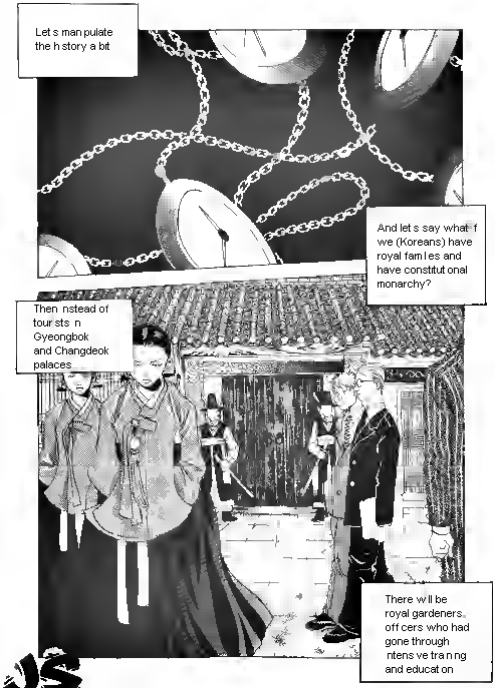
Of course, th s s a fct on
Hey she hasn't spoken yet

As of now, England Japan and few other countr es have constitut onal monarchy
The royal famTes are respected and loved and they l've n a beaut ful palace



However, our palaces have been abandoned and left alone
it s because the royal blood has been ext nct ever s nce the war with Japan



Let s manipulate the h story a bit
And let s say what f we (Koreans) have royal fam l es and have constitut onal monarchy?
Then nstead of tour sts n Gyeongbok and Changdeok palaces
There w ll be royal gardeners. off cers who had gone through ntens ve tra n ng and educat on

Every year there w ll be events hosted by the royal fam ly
And TV stat ons w ll be busy to broadcast
Now let s mag ne
Instead of the current abandoned and lonely old palaces
Imag ne palaces f lled wth royal fam l es and people

I thought royal family members would go to royal institution or something
My mom said that when the king was young he was the most handsome man in the country And the queen was also the most beautiful woman

*Uhmamama : It's how a seja calls his (real) mother.

I am only 17 year-old, *Uhmamama !
This morning
By accepting a young *sejabin
It's the tradition
She will learn and get used to the rules and attitude of being a member of royal family more easily
Especially if you are the seja!

*Sejabin : Seja's wife

JS
For someone who has spent a long time outside of the palace will not be able to adopt the life in the palace.
Young... sejabin you say?
Yes.
Then could I get a young and fresh wife when I become old ?
Seja, isn't that a bit too much of abusing?
Anyway we..the royal council
would like to take a pure and virgin sejabin.
So, unless you have someone particular in your min....

We would like you to marry a sejabin that your *Ahbamama has recommended.
*Ahbamama : How a seja would call his (real) father.
So, everything was already decided ....

Expedient marriage at this youthful age ?

So, rather than marrying somebody I don't know completely
since we've been close friends for long time -
No way !
I don't want to run our long friendship like that
Besides suffocating life in the palace and the heavy responsibility as a queen No way
And my goal is to be a ballerina

Just run !!!

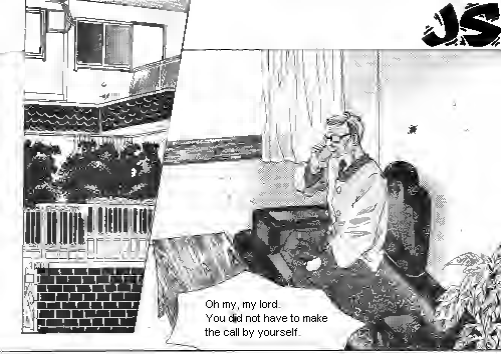
JS



Oh my, my lord.
You did not have to make the call by yourself.

Haha, please, ease on the tone. I did not call you as a king but as a son of your old friend.
Even so ....

When my father was alive, he told me a lot about you.
He said you were the only person he'd call a friend.

Ahbamama had always mentioned of the promise between you and him
And even when he was at h s death, he left a w ll say ng the prom se must be proceeded when the r ght moment comes

I have no problem with it
But Ho R n w ll have troubles

I have to find her and seal her mouth.
I must !

U seonggun mama
Please come to the house of Deb
U seonggun mama . A title that is used to be called for cousin .Actually, not really for a cousin. It s more complicated than that

*Halmamama : a title to call his grandmother

Chae Gyeong!
Chae Gyeong!
What s the rush ?
D d you hear?
hear what?
I heard th s from the staff room
There w ll be a new transfer student and he s from the royal family
From Royal family ?
Yeah I heard he s the seja s cous n and he was l v ng n England until now

Yul Lee is his name
The seja
seja, seja, seja
Yesterday's
nightmare
What's wrong?
Yul? Sounds
like a girl's
name
Ah
nothing
So?
What's his
name?
If he's the seja's
cousin
how exactly?
The current king had
an older brother, you know
He was the crown seja
for 5 years until he died
His son is
Yul

After the crown seja's death, his sejabin became a widow.
and she went to England with her only son although the royal council disagreed on the move strongly.
Wow so if his father ded a little later,
Yul Lee would have been the crown seja
A person like that is coming to our classroom!
Was almost the crown seja ?
Kkyaaaa ~ Now I think about it, he is great !!
He wasn't just a royal member !!
Idots who had to be told everything until the end to understand
JS

Yul Lee has arr ved th s morn ng
Where is he now ?
He is with the Debi right now to hail her.
Did his mother come as well ?
No , she is coming a few months later.

So ,, have you made the decision ?
Decision ?
The decision to accept your sejabin.
Hasn't it already decided whether I make my decision or not?
Besides it looks like you've already picked someone
Yes
She s a granddaughter of your grandfather s friend

Halbamama's friend's granddaughter ?
That s r ght
Your grandfather had a very close friend
The fr end d d not see your grandfather as a k ng but as a human be ng as a fr end
He wanted to give him something in return.
So, he made two engagement r ngs and sent one to h s fr end s w th a letter and kept the other one here

I would like to propose a marr age between your granddaughter and my grandson.
So, that was me ?
"My grandson that will take the inheritance of the King s throne
At that t me no
As you know, I had an older brother when I was a seja
So, the meaning of "That will take the inheritance of the king's throne"
However, he passed away unexpectedly
was supposed to be Yul Lee who was the crown seja's son.

After I became the crown seja and you became the grandson that will take the inheritance of king's throne...
The responsibility has come down to us.
Ths s a photo of the grl you w ll take as your sejab n
She goes to the same school as you
She s qute pretty
D'd you just say she goes to the same school as me ?
Yes

Was that why
you sent me to the school rather than royal nstitute?
That s correct It was my plan to get you two know each other eventually
I wanted you to not ce her naturally but I guess I expected too much
Take a look at the photo She s pretty

NO WAY

I am gonna get married - ?!
with the seja - ?!
Hahaha so funny Th s s one sad joke you guys are mak ng
You guys are good looking so ser ous and all that
Chae Gyeong how many t mes do we have to tell you ?
Can't you see the r ng ?

The engagement ring or whatever it was called, send it back, send it back now !!
It was the promise with the previous king. We cannot break it.
The promise with royal family is not something you can break easily
No way, no way... no way, no way !! You can't do this to me !!
Please reconsider grandfa
what ?
she's scary
The seja won't want to marry me, never !
Unless he's nuts
This kind of thing happens only in a drama or something
He saw me fooling around a few times lately

What? propose?
to other girl?
Besides, I even saw the seja was proposing to some other girl !!
That's right ! She looks very pretty and smart! Girl like her should be the seja's !!
...The seja must be having unwanted marriage also.
If both of them reject
Hm
I had a phone call from the palace It was very unexpected but
When the seja looked at your photo he looked very surpr sed

He looked at it for some time and suddenly began to laugh out loud
He laughed ?
Don't you see ? He knows me as a
and then
and then ?
He said he'd accept the marriage proposal

To be continued ...

No one would know
that the quiet and calm seja's hobby is boxing
and you have a boxing practice room in the backyard of seja's palace
Yul

JS
It's been a year, right?
Yeah, it was around this time when I came here for father's ceremony
I heard you are entering the school I am going? Does that mean you are going to stay in Korea permanently?
Yeah I am trying to make it happen I am sick of going here and there
And rumors say you've been assigned to building A?
Yeah you are in building B, right? I wish we were assigned to the same building
So they in building A finally made it happen.. huh? They always said it was unfair
What are you talking about?

JS
Teachers in building A voiced up to have you assigned to their building.
Huh? why?
The building B was rebuilt when I was assigned to go there. and building A is really old. It was indeed unfair.
So, they are hoping more cares once they get you in their building.
Desperate they sound like.
Actually I wouldn't be careless of the buildings
By the way ...
I heard you are going to marry very soon.
You heard that already ?
yeah that s right It happend

Is your girl pretty or something nice body?
What do you mean?
I figured a hot headed guy like you wouldn't just accept such a marriage so easily
It is not free I am going to get what I want to get.
It's her photo Want to take a look at it?

The reason I am not rejecting this marriage is
cute
What ? cute ?
Don't make me laugh.
She is just a fool I realized that when I first saw her..
I figured it'd fun to have a stupid sejabin and make the old geeks up there suffer..

Just imagine ! I can laugh already !
that fool is the sejabin? hahahaha !
Looking at you is funnier
Uh, you may see her often. She is in the same building
Yeah? which class room?
Hmm.. #3 class room, I think..

JS
What ?
#3 ?!
Yeah...
why ?
Ah ?
You are in...?
No way
Th s cannot

Why in the world
did the seja accept
such a marriage ?!

After he was dumped

Maybe he has vengeance on the world ?

Hey, what happened to your hair ?
Where is your nest-like hair ?
Huhuhu..., since you are going to be the sejabin, the media will be here.
I wanted them to see me when I am radiating charisma. Hehehe
What do you think? Do I look like Ji Won Eun?

In fact I had a hard time choos ng wh ch school I d go
Th s school s far nfer or compared to the royal nstitute you know
Then why
Oh why I chose th s school you ask?

The school has no str ct rule for har r ght? The royal nstitute does
How long can I grow my har? Is 4 centimeter acceptable ?
So, the har was only reason
What?
We better go

Lately, Chae Gyeong looks lke she s go ng through some k nd of cr s s

She hangs around a window and suddenly tries to hide.
She treats herself cruel at times.
She puts her head in a locker and begins to mumble
What has made Chae Gyeong go crazy ?
Or stress from exam?
Is she in love ...?
It looks like I have be the main character of this series and lead the story from now on !

Let go of me !

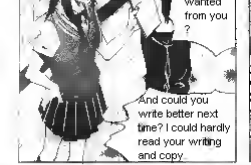
The guy who said offending the royal house or something was the seja, right? Why is he picking on you?

JS

I don't know. Just take your note back.
I wonder what he wanted from you ?
And could you write better next time? I could hardly read your writing and copy.

Please tell me ~
What is it, pretty please ?
Please ~



I don't know, you jackass !!

He is a persistence guy. I wonder when he will stop.

Anyway, the guy a moment ago ...
Why did he smile at me?
Since he could be close to the seja, he might know everything
Uh
Why did he have to be assigned to my classroom ?

That dork
why d dn't he take

He s gonna need

JS

Where are you going? Let's talk a bit -
Grl like you have a boyfr end huh
Grl like me ?
Hey, you heard everything from your grandfather, right ?
Are you getting prepared ?
The wedding is in fall. You will probably have to enter the palace a few times before that.
What, what are you saying....
Why do I have to go to the palace ?

Don't act like you don't know and don't make such a face
I know it and you surely do too
You looks as if it s unbearable to you
Well let s talk about it next time then
Why don't you marry someone you like ?

What ?
You even had a girl you propose in the backyard last time !
Why did you tell them that you'd accept the marriage proposal ?!
It'd be hard enough even if we both disagree against them
Think again
They won't listen to me. I think you should stand up for this.
I don't think they would let the marriage go on if you insist that you have someone else in your mind. So
You are really funny, you know that ?

Do you think I am crazy enough to make the one I love being forced to live in the palace like a doll ?
What ?
Then what am I ?
Honestly, do you think I like to marry you?
Since I don't care what happens to you, I am letting you be the sejabin.
What ?!
You should be thankful that I am accepting you without any rejection.

What d d you say ? Are you say ng I should be thankful for be ng forced to l ve l ke a doll ?
Anyway what you should know better s
no matter what reasons there are n th s marr age you are go ng to be my sejab n
To be my w fe your quality has to be upgraded
You do know that you are not qual f ed to be Bngungmama r ght?
Bngungmama Queen in short
My quality what ?
Honestly, I don't want to be looked down just because of some foolish sejabin
He is the worst jackass I've ever seen -
If you really can't put up with this...

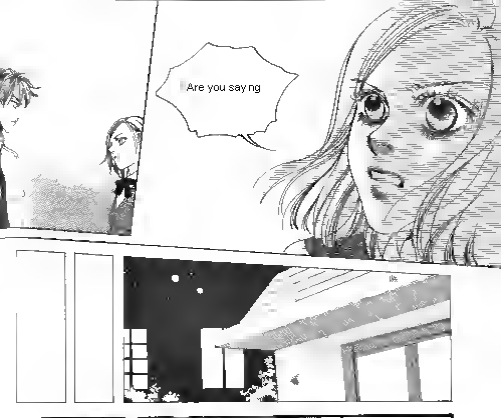
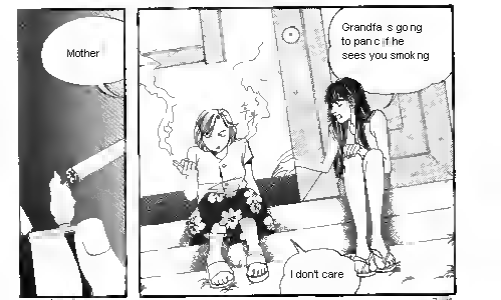
I was wonder ng that the g rl who overheard us m ght have spread the word
Don't worry, it s not you

JS
Then about the rumor...
Didn't I tell you? People up there already decided on somebody
I found out that she was going to the same school recently though
Who s she
Maybe, fate does exist
She happened to see her future husband that was proposing to other girl



Are you sayng



Mother
Grandfa s gong to panc if he sees you smok ng
I don't care

Men smoke. Why can't I?
Gender equality, remember that.
I did quit ...
But I got to smoke now...
Um...
Go on,
You first.

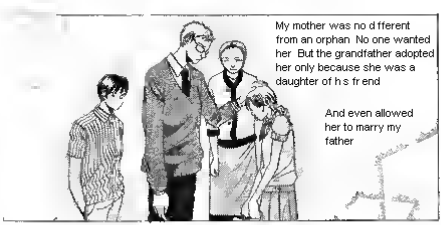
The *Jungjeon wants to meet you in person tomorrow.
There is not much time left on the marriage and there are a lot of things to be prepared. She probably wants to meet you for that.
Mother !
She said she'd send a car tomorrow morning....
Mother ! What s wrong ?
Why are you on their side ?! At least you should be on my side !
Do you really want me to go to the palace and never see you aga n? And why do I have to sacr f ce for grandfather s prom se ?
Jungjeon : Seja s mother : Queen n short

I'd rather make you unhappy
than make your grandfather I've with the biggest guilty for breaking the promise
What ?
If the marriage ends up cancelled, your grandfather will have a long-lasting regret until his death.
Do you think you can live with that?
Mother, I...
Am I being sold ?
What are you saying
Did they offer you any money?

What ?
Why not ? I know we have a lot of debt to pay
In fact if I become the sejabin the royal family is not going to ignore our financial situation
Besides, I am no good at anything.
So, why not refuse the offer that'd only come once in a life time
So, you are glad to do it. Am I wrong?
Stop!

How dare you
Yes. I don't want any more crap from the debt agent. Are you sat sf ed ?!
I want to sell you and l ve my l fe without f nanc al worr es. Are you sat sf ed now ?!
I am sorry that i slap you.
But you should not speak like that.
Of coruse..I know you are the one who suffers most from th s.
But I am also the one who suffers hard from th s !

쾅
I hurt my mom



My mother was no d fferent from an orphan No one wanted her But the grandfather adopted her only because she was a daughter of h s fr end
And even allowed her to marry my father

She probably wants to repay the deep debt she owns

But mother
It s my l fe
Let me at least
choose my path -

I suppose you are not satisfied with this marriage very much
I can tell easily by just looking at your face
I understand that perfectly.
And being the sejabin of the crown seja, extremely heavy responsibility, yes?
To make it worse, you are marrying a man you have barely spoken to.
However, Miss. Chae Gyeong This is the will of previous king.
We cannot break his will, can we?

While on the way to here, you probably made up your mind to refuse this marriage
But it's too late to break the ...
Un, actually, ma'am

Looks like it is finally
getting started.
JS

Wise choice.
I thought you were against this strongly.
I have something to ask ....
I was n the beg nn ng
What s it?
I was going to stand against this marriage with everything I had.
But when mother was waving her hand...
When I saw her worn-off sleeve
My head blanked. It was all white.
What is it, Miss Chae Gyeong?
JS

Um
I am not try ng to
be a good daughter but
As you probably know
my father s unemployed
and my mother does

So ?
So I
would l ke you to
ease the r

In short, you
want a reward
for sacrificing
yourself.
Absurd, unlike
Your appearance
How dare you ask
for a price when you
are going to be marryed to
a member of royal family

I wasn't ask ng for

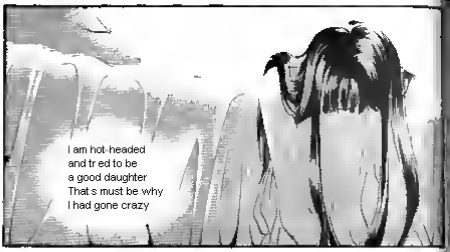
Something seems to be wrong with Chae Gyeong.
Yes, he has been like that since she got home. She doesn't drink and eat.



I am hot-headed
and tr ed to be
a good daughter
That s must be why
I had gone crazy

Maybe I can cancel

JS

What was wth him ? He wants me to look down on people ?
His point is probably that things will not be the same as before with people you know
Argh, this is driving me crazy.. What are they wanting me to do ?!
Just do what they tell you....
Go if they say so. Do if they say so. When you finally wake up, it should be all over.

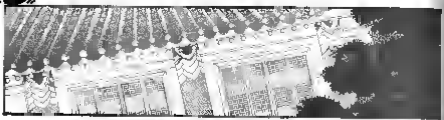
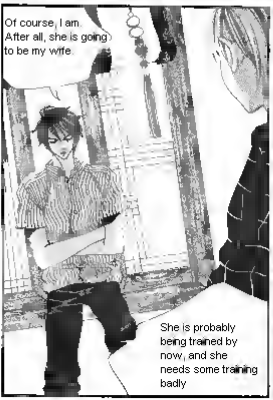
And when I f nally wake up one day
It should be all over –

But mother ...
Will it really ?

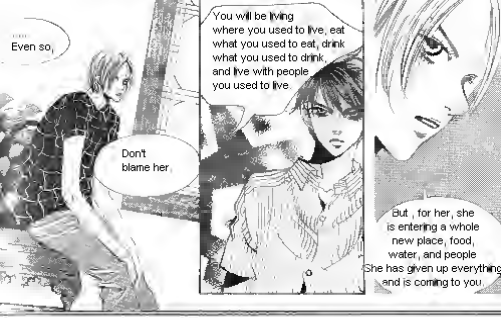


Aren't you curious ?
She is in the guest's quarter, I hear.



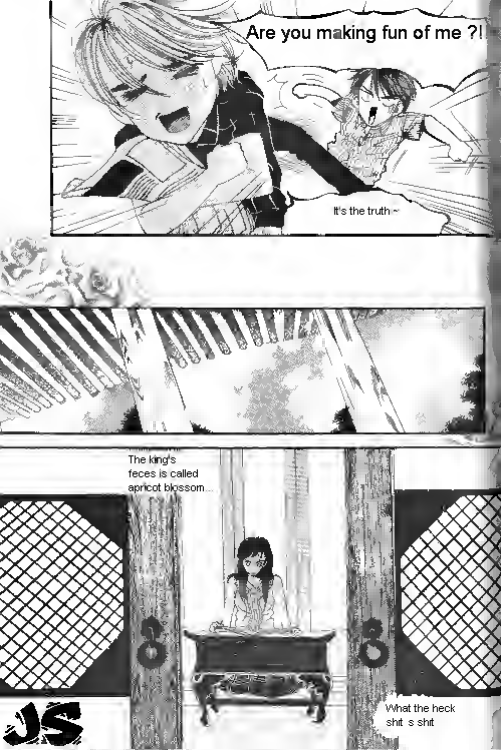
Of course, I am.
After all, she is going to be my wife.
She is probably being trained by now, and she needs some training badly.

At first I was going to watch the people up there suffer
But it's not working properly man
Whoever read the news paper try to hold laugh whenever they see me



Even so,
Don't blame her.
You will be living where you used to live, eat what you used to eat, drink what you used to drink, and live with people you used to live.
But , for her, she is entering a whole new place, food, water, and people
She has given up everything and is coming to you.

What Jungeonmama said about girls crying a lot before marriage,
!
I think I understand that.
복시럭 복시럭
By the way, doesn't she looks cute in a way?



Are you making fun of me ?!
It's the truth~
The king's feces is called apricot blossom...

I had an agreement with them If I do marry..
It was to move our palace to Changduk palace..
That way..there w ll be a d stance between the old geeks here and us
And it w ll naturally create a buffer zone for both of us from them

What I am saying is you might be able to sneak out the palace once or twice per month and visit your family
Eh and
Ah... yeah
Invite your friends to the palace and have a party or something
Hmm th s one s not so good

What I can promise is only one thing
Divorce

When I grow up
when no one can stop me
and f you have not

I don't want to keep
